Professional Summary

Senior Data & Strategy Analyst with over 15 years of experience leveraging data-driven insights to optimize business strategies in microfinance and telecom. Expertise in advanced data analysis, customer segmentation, geospatial analytics, and comprehensive MIS reporting. Proven track record of driving revenue growth and improving operational efficiency through strategic planning and actionable business intelligence, including increasing loan disbursement by 10% and campaign revenue by 15%

Core Skills

- Data Analysis & Reporting: SQL, MySQL, Python (Pandas, Numpy), Advanced Excel (VBA/Macros), Power BI
- Spatial & Location Analytics: Village-level mapping, center/branch segmentation, geospatial optimization
- Portfolio & Risk Analysis: DPD/loan monitoring, CB utilization and rejection analysis, risk scoring, churn prediction
- Business Strategy & Reporting: Branch expansion planning, client segmentation, KPI dashboarding, industry benchmarking, daily, weekly, and monthly MIS report generation
- Corporate Communications: Creation of decks on customer behavior trends, industry analysis with PR credit report data
- Other Tools: Hive, ElasticSearch, MS Office Suite

Professional Experience

Bharat Financial Inclusion Ltd.

Lead Manager – Planning & Strategy | Apr 2022 – Present | Hyderabad, India

- Orchestrated village-level spatial mapping of 1.5 lakh villages, optimizing center and branch allocation to directly contribute to a 10% increase in loan disbursement.
- Developed and presented high-impact industry decks to leadership, using PR credit report data to analyse customer behaviour trends and inform corporate strategy.
- Analysed pre-approved loan conversion, credit bureau utilization, and rejection patterns to identify actionable revenue growth opportunities.
- Authored comprehensive daily, weekly, and monthly MIS reports, detailing TD to LC flow, pre-approved conversion, center staff rotation, Sangam Manager performance, and overall business performance.

- Designed dynamic dashboards to monitor key metrics such as loan disbursal, client acquisition, and center-level performance.
- Led segmentation projects that enhanced targeted lending strategies, improving operational efficiency.
- Collaborated with cross-functional teams to improve portfolio monitoring and reduce risk through data-driven insights

FLYTXT Mobile Solutions Pvt. Ltd.

Manager – MIS Analytics | Sep 2015 – Mar 2022

- Automated campaign performance reports across 22 states using SQL & Hive, facilitating a 15% lift in targeted campaign revenue.
- Developed geo-targeting tool using lat-long radius for improved customer segmentation.
- Built customer behavior models on telco data to improve ad campaign targeting.
- Published monthly pan-India subscriber usage insights for leadership and client presentations.

CSAT Total Solutions

Assistant Manager – MIS Analytics | Sep 2012 – Aug 2015

- Built automated customer feedback trackers and visualization dashboards.
- Developed VBA procedure for sentiment segregation of customer feedback.

Other Experience

Held roles at Arshiya International Ltd., Inventurus Knowledge Solutions Ltd., Reliance Communications Ltd., Syntel Global Pvt. Ltd., and 3i Infotech Ltd. including Sr. VBA Developer, MIS Executive, Assistant Manager – MIS, Associate – MIS, and Executive – Operations. Focused on dashboard/report automation, stakeholder data reconciliation, and national performance monitoring.

Education

B.Sc. in Computer Science | B.R.A.B.U, Muzaffarpur | 2006

Achievements
